April 30, 2012

Further to the Notice published April 12, 2012, please be advised that the Town of Perth has extended the notice period for the Downtown Perth Heritage Conservation District Designation By-law No. 4271 to June 11th, 2012 in order to accommodate 30 days of public notice from the newspaper publication date in the local newspaper dated May 10, 2012.

This revised notice period has come about due to the initial notice period having been set at 30 days from the passage of the Downtown Perth Heritage Conservation District Designation By-law No. 4271, rather than the prescribed 30 day requirement from the publication date in the local newspaper. The municipality must adhere to the provisions of the *Ontario Heritage Act* respecting notice, therefore Council wishes to ensure that all persons or agencies are aware of the revised appeal period, which concludes on June 11th, 2012.

Therefore staff will be reissuing letters of revised notice to all property owners within the proposed Downtown Perth Heritage Conservation District, in tandem with the aforementioned publication in the local paper and notification to the Ontario Heritage Trust.

If any person has questions pertaining to the Downtown Perth Heritage Conservation District Designation By-law or public notice requirements, please contact the Director of Community Services, Shellee Evans at (613) 267-3311.

Sincerely,

Explanatory Note: Purpose and Effect of By-law No. 4271

The By-law serves to adopt the Downtown Perth Heritage Conservation District Designation Plan and Guidelines, and designate Downtown Perth as a Heritage Conservation District under Part V of the *Ontario Heritage Act*. The *Ontario Heritage Act* permits the designation of defined areas as heritage conservation districts by bylaw, if Official Plans provisions are in place in the municipality. Where a district has been established, a heritage permit is required to erect, demolish or alter the external portions of buildings as set out in the Plan. A map of the designated area is attached.
