Statement for Designation

Description of Property

The property at 6092 Pack Road is located in the City of London on the north side of Pack Road, approximately 280 metres west of the intersection of Bostwick Road and Pack Road. Historically, the property is part of the South Half of Lot 76, in the former Westminster Township. The property contains a house, spruce windbreak, pool with cabana, outbuilding, storage container and barn ruins. The house at 6092 Pack Road was likely built between 1900-1910 and is a two-and-a-half-storey, buff brick vernacular farmhouse exhibiting Queen Anne design elements.

Statement of Cultural Heritage Value or Interest

The property at 6092 Pack Road is of significant cultural heritage value or interest because of its physical or design values and its historical or associative values.

The house at 6092 Pack Road has design value as a representative example of an early 20th century Ontario vernacular farmhouse with the use with Queen Anne design elements that were popular in the late 19th and early 20th-centuries. Vernacular elements include the use of buff brick and rusticated concrete block for the foundation and porch surround. Design elements specific to the Queen Anne style found on the farmhouse include: a 2 ½ -story structure with compound plan, hip roof, front facing gable, wrap around porch, and use of details such as voussoirs, bargeboard, fish scale shingling, stained-glass, and unique shaped window openings (i.e. oval shaped window near main entrance).

The property at 6092 Pack Road is directly associated with the Dale family and was occupied by members of the Dale family from 1842 until at least the early 1970s. The Dale family in the former Westminster Township traces its origins to Jacob Dale, an early settler to Westminster Township originally from Pennsylvania. Dale and decedents became extensive landholders in Westminster Township, particularly around the intersection of present-day Southdale Road and Wharncliffe Road. The Dale family, through their extensive landholdings have made a notable contribution to the pattern of settlement of the former Westminster Township.
