Explanatory note

District Designation By-Law

On September 28, 2022, Toronto City Council adopted By-law No.1218-2022 which designated the area shown on the map attached to this note as the Parkdale Main Street Heritage Conservation District (the District) under Part V of the Ontario Heritage Act (the Act). The By-law also adopts the Heritage Conservation District Plan, dated May 2022.

Alterations to Property

The purpose of By-law No. 1218-2022 is to maintain the heritage character of the Parkdale Main Street Heritage Conservation District. This is accomplished by requiring certain alterations to buildings within the District to conform to District Objectives, Policies and Guidelines which are included in the District Plan. Typically, these alterations only relate to portions of the property that are visible from the public realm. For example, no heritage permit is required for exterior work that is not visible from the public realm, interior work, painting, and repairs using the same materials. If the proposal conforms to the District Objectives, Policies and Guidelines it can be approved by staff. Applications that do not conform to the District Objectives, Policies and Guidelines will be referred to City Council for consideration.

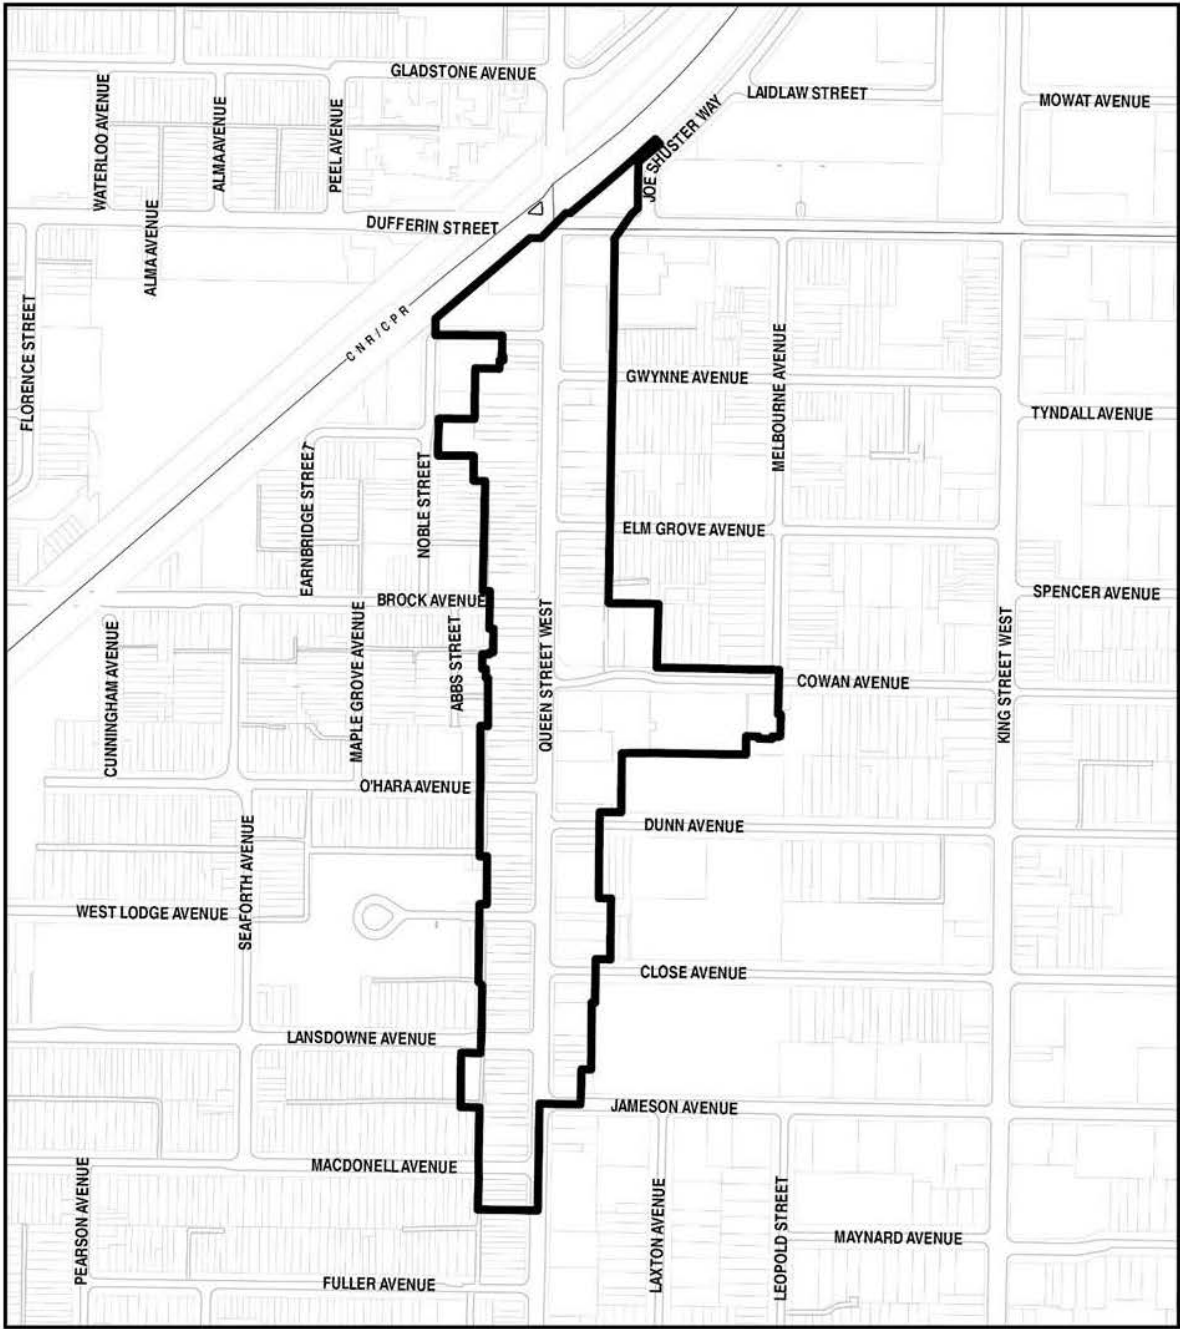

Demolition and Infill Development

Under By-law 1218-2022, owners of property are required to apply for a heritage permit before demolishing any building in the District. Demolition applications are referred to City Council for consideration. If City Council refuses the permit, the applicant may appeal to the Ontario Land Tribunal. New (infill) construction must contribute to the heritage character of the District, as per the District Plan.
