**STATEMENT OF CULTURAL HERITAGE VALUE OR INTEREST AND DESCRIPTION OF
HERITAGE ATTRIBUTES**

The former hotel building located at 43 McClintock Dr, Puslinch, has cultural heritage value associated with the history of the commercial and hospitality industry in and around Puslinch Lake. This value is retained in the former 1880 frame Puslinch Lake Hotel. It is the last remaining nineteenth century hotel building on Puslinch Lake. The former hotel building is also associated with George Sleeman of Guelph who owned the hotel and was instrumental in the hotel's successful operation from the 1880s until the 1910s. Although no longer operating as such, the hotel served thousands seeking recreation at Puslinch Lake. As the last remaining hotel on the only natural lake in the region, it is regarded as a landmark. The former hotel building meets the requirements for designation prescribed by the Province of Ontario under the three categories of design/physical value, historical/associative value, and contextual value. The property is listed on the Township of Puslinch Municipal Heritage Register and has received a plaque from the Township's Heritage Committee for its cultural heritage value.

The former hotel building includes a rare extant 1880 two-storey framed hotel building with an "L" shaped floor plan. Notable features that can be found on the building include sash style windows throughout, and a hipped roof. A double hung verandah runs across the front façade under the hipped roof. The entrance is located beneath the verandah. Some of the building remains in its original state, with the only recent addition being the framed entrance to the office building adjacent to the former hotel's entrance.

Historical/Associative Value:

Puslinch Lake was a popular destination for recreation in the nineteenth and early twentieth centuries. The former hotel building, located at Lot 4, Rear Concession 1, was originally owned by Thomas Frame. In 1841, Frame built one of the first hotels in Puslinch Lake on this lot. In 1879 the hotel caught fire and Frame subsequently sold the lot to George Martin, who erected the present hotel structure in 1880. By 1883, the former hotel building was purchased by George Sleeman of Guelph and his partner John Davidson.

George Sleeman was a brewer, entrepreneur and politician and installed a fifty passenger steamboat called "The City of Guelph" to carry passengers to and from his hotel to St. Helen's Island in Puslinch Lake. He was able to attract and influence a variety of patrons to visit and stay at his hotel. Those who came to the Lake Hotel ranged from factory workers through shopkeepers to the wealthy and affluent of not only the Wellington and Waterloo County regions but those of Toronto and London.

In 1907, the City of Guelph acquired the Lake Hotel due to Sleeman's financial failure with the Guelph Railway Company. The Lake Hotel was included in the assets of the company, so when it went into receivership, so did the hotel.

The City of Guelph operated the hotel as a resort until 1930.

Contextual Value:

The former hotel building maintains the unique character of its surroundings as it stands as the sole remaining hotel of several that once served visitors to Puslinch Lake. This hotel serves as a poignant reflection of the area's appearance during the 19th and early 20th century, and a reminder of the role of Puslinch Lake as a leisure destination for Wellington County during this time. As a result, the property's hotel have earned the status of a landmark, symbolizing its enduring relationship with not only many Puslinch and Guelph
