TAKE NOTICE THAT the Council of the Corporation of the City of Windsor intends to designate the property including lands and building at the following municipal address, as a property of architectural and/or historical value or interest under Part IV of The Ontario Heritage Act:

- 595 Cataraqui

REASONS FOR DESIGNATION:

Historical:

- Built in 1891 by carpenter/contractor Charles R. Cole for his own family. Mr. Cole served his community as Alderman and Water Commissioner, and was a member of the Masonic Order. Tragically he took his own life in 1903, being despondent over the loss of his only daughter the year before.
- Typical of the fine homes being built for prominent Windsor citizens in the 1890s.

Architectural:

- Excellent and well-preserved example of a charming Queen Anne Revival style home – asymmetrical, 2-½ storey, clapboard home with a variety of roof forms and ornate ornamentation.
- Architectural elements of note include:
 - Gingerbread moldings on gable ends
 - Bay windows with decorative carved mullions and transoms with brackets holding shallow mansard style roofs
 - Stained glass windows – front bay, entrance transom light, porch façade
 - Curved wrap-around porch with molded round columns with decorative wood brackets holding an open crown of carved wooden spindles.
- Original roofing material was cedar shingles.

Any person may, within 30 days of the publication of this notice, send by registered mail or deliver to the Clerk of the City of Windsor notice of his or her objection to the proposed designations together with a statement of the reasons for the objection and all relevant facts. If such a Notice of Objection is received, the Council of the Corporation of the City of Windsor shall refer the matter to the Conservation Review Board for a hearing.

DATED at Windsor, Ontario this 15th day of June, 2002
