**Description of Property-** The Norman F. Paterson House, 289 North Street, Port Perry

The Norman F. Paterson House is a two storey, detached, brick dwelling located at the North East corner of Simcoe Street and North Street in the Town of Port Perry.

### **Statement of Cultural Heritage Value or Interest**

The Norman F. Paterson House's cultural heritage lies in its association with Norman Paterson and the Swan family. The existing house was constructed shortly after the destruction by fire of an earlier Second Empire style dwelling in 1890. This earlier house was owned by Norman Patterson who came to Port Perry from Beaverton in 1878 to establish a practice as a barrister and attorney at law. After building the new house, Norman Paterson sold the property in 1893 to local blacksmith James Swan, who with his sons operated one of the best equipped and respected carriage manufacturers in the county. Ownership of the home was later transferred to James' son James Swan Jr. in 1902.

The Paterson House's cultural heritage value also lies in its transitional architectural style which reflects both design elements of the late 19<sup>th</sup> century vernacular Italianate style of Port Perry, and the Edwardian Classical style of the early 20<sup>th</sup> century. The Paterson house's prominent corner location, spacious lawns and mature vegetation contribute significantly to the historic character of the residential neighbourhood immediately north of Port Perry's commercial core.

### **Description of Heritage Attributes**

Key exterior attributes that embody the heritage value of the Norman F. Paterson House as a transitional style town dwelling include its:

- Rectangular floor plan with west facing projecting bay;
- Local granite fieldstone foundation;
- Clay brick veneer exterior walls;
- Original window and door openings;

- Original wooden windows; including the paired Italianate second storey windows, and the ground floor picture window with segmental stained glass transom;
- Shallow sloped hipped roof;
- Original wooden front door and transom window;
- Edwardian shed roof front veranda;
