Re: Scoped Heritage Impact Assessment & Heritage Permit, 563 Bovaird Drive East (Historic Bovaird House) and 2591 Bovaird Drive West, prepared by LHC Heritage Planning and Archaeology, dated August 2022

The following recommendation from the Brampton Heritage Board Meeting of August 31, 2022, was considered by Planning and Development Committee on September 12, 2022 and approved by Council on September 12, 2022.

HB051-2022

1. That the report from Shelby Swinfield, Heritage Planner, re: **Scoped Heritage Impact Assessment, 563 Bovaird Drive East (Historic Bovaird House) and 2591 Bovaird Drive West, prepared by LHC Heritage Planning and Archaeology** to the Brampton Heritage Board Meeting of August 31, 2022, be received;
2. That the Heritage Permit Application for 563 Bovaird Drive East be approved;
3. That the following recommendations as per the Scoped Heritage Impact Assessment by LHC Heritage Planning and Archaeology be followed:
 - a. A Temporary Protection Plan (TPP) is recommended to be prepared for the to be prepared for the demolition and salvage of the Porretta Barn in order to minimize the potential for unintentional destruction of the chicken coop and other features on the property during the demolition of the barn in order to minimize potential unintended/accidental impacts;
 - b. The removal and salvage of the Porretta Barn must be preceded by the preparation of a Demolition and Salvage Documentation Package outlining specific details regarding disassembly, relocation plans, and the storage location for unused materials to supplement the previously prepared technical studies and documentation of the barn;
 - c. The dismantling of the Porretta Barn should be carried out by or under the supervision of a qualified heritage professional;
 - d. A Commemoration Plan is recommended to be prepared for interpretive materials to be displayed at the Historic Bovaird House. Interpretation should clearly articulate and commemorate the original context of the Robinson Barn and the source of re-used materials from the Porretta Barn; and

- a. The feasibility of relocating additional supporting structures – specifically the chicken coop and smokehouse– to the Historic Bovaird House should be reviewed in the future, as part of a separate project, in order to retain the spatial and historical relationships between those agricultural structures.
