GRAND AVENUE TREE STAND

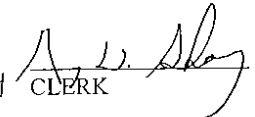

The reason for the designation is to recognize the tree stand's associative value with its direct link with the Grimsby Beach community and the prominent role it played in the Town's history. The tree stand has contextual value because it is important in defining, maintaining and supporting the character of the area and is physically, visually and historically linked to its surroundings. It is also a landmark. The tree stand includes a magnificent white oak specimen (the Grand Old Oak) that is estimated to be over 300 years old. The stand as a whole is important in supporting the long term viability of the Grand Old Oak.
